“ This have come to me in such a big surprise that God was ready to call you..... In my heart I want to question God why but he knows best. When I got the news I just set back and thought about all the laughs we shared and wished I could rewind time to be able to see you again... Until I see you in heaven R.I.P. you are truly missed and I love you. and to the family rest in God's hands to make it through this hard time!
