“ I cant believe I'm writing a memory on your obituary. You were the longest friendship I had. You were more like my sister. Growing up we did everything together we laughed we cried we got into fight but nothing broke our bond. We had so much fun and did some crazy things. All my childhood memories your in them. From our 1st boyfriends our 1st heartbreaks to our 1st kid. You were there for it all. But now I have to say goodbye. I know your in good hands up there you get to be with your father I know how much you missed him and I bet my grandmother had some hot cookies for you. I love you until we meet again. ❤️❤️
