“Dad i always thought of you as the perfect role model ,the one that would stand up and clap for you when no one else would. I know for a fact that you was very very proud of me. You supported me all the way through to getting me in IB(international baculerat program). Its very hurtful you wont be able to actually asking me questions about it and give me advice along the way. Daddy I'm going to be the best swimmer i can be. The swim team is going to be great and with having you in my thoughts it would be even better. I have ma on my side supporting me twice as much trying to make sure I succeed in the things that was started when you was here. Even though Christmas wont be the same having you in my thoughts would make it alittle better I think, it will feel like as if you are almost here hopefully. Next year i will get back in the band like you wanted me to and I will be first trumpet all over again. Daddy I love you and I miss you so so much you will always be in my prayers and in my heart. Daddy I will be your teacher, swimmer, and I will go to the top colleges with the money from all the scholarships I will get. I love you love Patricia.

“ My dear brother Jerry. I miss you so much. I know that you are with Jesus now. I think about you everyday and every moment of the day. My heart is sadden that I won't see you again on earth. But my soul rejoice that I will see you again in heaven. Thank you for being a good brother to me. We may have not talked all the time. But we know we loved each other very much. I reflect on the time that we were children growing up when dad died, you became the man of the house. It is because of you that we made it through that tuff time. Remember the letter I wrote you last year. I told you how much Jesus loves you and your family. and that I love you very much. That holds true today, and forever. My dear brother you will always be remembered in my heart. Much love to you always.

“ My Dear Brother, I miss you so much. I use to tell you that each time we spoke on the phone. I love you so much and can't seem to let go. I know now that God has you in his care. He chose to take you home and he makes no mistakes. I will take care of mama for you because you made sure that was done here on earth and I will carry on for you. I remember the laughter and fun the last time I was with you and your family. It will be deeply cherished. (Memorial weekend). If I had known that would be the last time we would be together I would have asked God to have time stand still just a little longer just for more time with you. My brother I will see you in heaven. You are not alone. Tell our "Dad" "hello".

“ To The Family, We will truly miss Jerry. He loved his family so much, we could tell by the pictures he shared. PSALM 30:5 says: "For his anger endureth but a moment in his favor is life: weeping may endure for a night, but JOY, cometh in the morning". God never makes any mistakes and everything happens for a reason. We know you loved him but God loved him more. You will see him again. May God Continue Blessing each and everyone of you. Love you to LIFE. We will all miss him here at VZW.

“To Carla Gant and family, you have my deepest sympathies. I know this is a tremendous loss and a very unexpected shock in the sudden death of your loved one. Please know that my heart is with you and may God's comfort and blessings get you through this challenging time. Carla and Carol, you know I'm just a phone call away should you need anything, anything at all. Peace be with you -  
- Much Love, Alfreda
