“ *Charnese & Amijah: I send you love and comfort to aid you in the passing of your mother/grandmother. I pray that you will remember the good times that you had together, and for those times when you were apart that the Lord kept you both in His loving arms. Losing a loved one is never easy but we know that God makes no mistakes. So look at life as a gift from God. Now that He wants it back we have no right to complain. May the comfort of knowing that your family and friends are here for you help you through the difficult times.*

“ First of all, I thank God for keeping my mom for 63 years. I am the babygirl of the family and now that I know the true meaning of a mom, for the rest of my life until God calls me, I am going to obey my Mother's Day holiday each year in remembrance of my mother. I love you mom for giving me life and although we have had our ups and downs, no one is perfect for we all make mistakes. But when we turn to God and ask Him for help and obey our fifth commandment, then God will forgive us all, especially me, because he forgave me for the choices I made towards my mother. Thank you mom for the life you gave me and for the canopy bed, many toys and clothes, and keeping me looking presentable. I love you and I will never forget you and my brother Isaiah Jeremiah Gantt. Love, your babygirl Charnese...your last born and Shaquweisha Beyonce and Amijah Gantt. P.S. When I get married I will tell my husband and my two unborn children all about you...Charnese

“ My condolences goes out to the Gantt family during teh loss of your love one but remember God does not make any mistakes. Family be encouraged and allow this experience to bring teh entire family together on one accord. Be blessed and remember you will never be left alone per God's word.
