“ Joanne thank you for warmly welcoming Jermaine and me into your family with open arms and for all the support you gave me. I am going to miss those girl talk we had. I would come to you crying but I always left laughing.

We could talk about anything way into the wee of the night... I will cherish those moments and warmth of your smile and laugh. This is not good bye just until I see you again.

“ Mom I know that
I just thought I'd say
I love you and goodbye
We will miss you dearly
I promise I won't cry.

I will never forget our talks
Conversations on the phone
How happy you were to see me
When I finally came home.

You worried so much about me
I worried about you too
I know this is the hardest thing
We've ever had to do.

I know you'll always be with me
Wherever I will go
No one needs to show me
I will always know.

I don't know what to do Mom
I never thought I'd lose you
Where I'll go from here
I still haven't got a clue.

I hope you'll watch over me
Be my guiding light
Giving me the strength I need
To win this endless night.

You're my guardian angel Mom
Sitting on my shoulder
Whispering your words of wisdom
To use as I get older.

*I don't want to say goodbye
But we'll meet again someday
We'll pick up where we left off
Before you went away.*
