“ *I don't even have the words to express how my heart is breaking for the family. Way too young to be gone so soon. Even though I know you had grown into a young man, every time I think of you....I see you, Sonny and Rusty running around the football field or running around at my house as young boys playing and having a good time. This world is so hard. I pray you are at peace. I pray for his kids to always know they are loved. You will be missed, but never forgotten and always loved.*
