Condolences to what is left of the Mayo family !! Busters mom, Mrs. Lydia Mayo was our babysitter ever since we (The Boddie's) were children !! Along with the Bacote's Third and Derek!! Buster as we fondly called him was always an interesting person, to say the least !! Very minimum information, yet cordial!!! Ummm🤔🤔 he always left us with an Ummm??? LMBO!! Rip our brother !! Now you can meet the rest of your family on the other side!! TGBTG!!! Kevin, who is Johnnie's son, I pray this will help you understand a lil better!! And inbox me when you can prayerfully I may be a lil help to you🙏🙏🙏❤️

Hi Kevin,

I am Buster's (Johnnie) 1st cousin from NC. I would love to meet you. We lost contact with your dad many years ago despite several attempts to find him. His mother, Lydia Barbee Mayo (your grandmother) and my mother were sisters. Your dad was one of my favorite cousins and I thought the world of him whether he knew it or not. I am saddened to know that our hopes to see him again can never be realized. I pray that his final days were peaceful and that his spirit is now at rest. Please send me an email if you would like to make contact. My email address is cecehorton@gmail.com. Blessings, Cecelia Horton
