“ Pastor Vikki, during times of loss there is never really words that can be expressed to ease the measure of loss one may feel and/or experience. However, I wanted to extend to you and your family my love and never ending prayers as a gesture of support. I am standing in agreement that Comforter is fully able, capable and willing to satisfy all of your needs.
May God's continual blessings be upon you and yours. Mega love to all of you. Love "Grosse Family"

“ *We are so grateful that Mom Joyce came into our lives and that God granted us time to come to know and love her. She has not only been a joy to us, but also to our father, McArthur Pearson. We will always cherish the time Mom Joyce spent coming to visit and celebrate with us at our home and LWCF. I remember 2011 CommunityFest when Mom Joyce said "hold on to some of those good old sausages for us" and her beautiful smile on the picture she took with our Pops is one to cherish forever. The time I personally spent with Mom Joyce in the hospital will always remain with me in my heart and my memories...the hugs, the warm embraces...the prayers and the scriptures...I believe helped to prepare her to go home to be with the Lord, Her Creator. Restoration has come...Mom Joyce has been Restored back with her Creator! We love you and miss you dearly, Momma Joyce but we know you are still smiling and laughing in Heaven now!*

“ *Miss Joyce I will always remember your smile & the wonderful way you took care of my Pops.*

I will cherish the memories that we created while we shopped for clothes, shoes, purses, & perfume. We always ended our day with something good eat. :) One of my favorite times was the road trip to Richmond.

I told my brothers that we are family now and that they have a sister for life. I will keep a watchful eye over your beautiful grandbabies too.

Thank you for coming into our lives and loving Pops unconditionally! You are already greatly missed.

Love Always, Neicy
