“ I can't even believe i am sitting here to tell you so long. I just want you to know you have had a tremendous impact on my life. Shortly after we met i told you that you were Reckless with your Emotions.LOL! You put an apostrophe in it, dropped the c,e, and s and the nickname stuck! We laughed together, cried together, stayed on the go, argued together and loved together. I am praying for your transition to heaven and that you have found peace. Life will never ever be the same. I look at your pictures and can't believe this is happening. My heart hurts so bad. You helped to me see, learn and understand an abundance of things and for that i want to say thank you. Your smile, crazy sayings, dances, singing, laughter, jokes, everything will be severely missed. My sincerest condolences to your family! Stay strong you all are in my prayers!!!! Rest in peace Pachu you're in my heart. 831

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.
