“ *May the Lord give the family strength and comfort during this time. We always question the why but the Lord makes no mistakes. Kehualani always spoke dearly of her son and grandson. She had a drive like no other to succeed, I had the opportunity to manage her and witnessed her excell her way to Supervisor within a matter of a couple years. Service well done Kehaulani, your labor here on earth is now complete, now continue to Rest In Peace and now sing the highest praise with your Savior.*
