“ Kenji, I really don't want to believe your gone. Sometimes i just keep telling myself, it's not D, it's not d, (u know i always called you d). But the picture shows me otherwise. I pray you are at peace. I can't imagine the pain your family feels. I am just at a loss for words. Shine over your family. You will never be forgotten...

“ Kenji words can't express how much I miss you. You were truly something. We would talk every other day. Sometimes you just called to check on your niece and I. Or you just wanted to say Hey Sis I love you. Oh how I long to hear those words and your laugh!! You and my brothers have this infectious laugh. You are finally at peace. You always said I worried about you to much, at times you said hey whose older. But I love you so much. Watch over George, Gerard & myself. Give my granny & papa a kiss for us. I love you forever! Your little sister Shavone

“ *Kenji, I love you with all my heart and I will miss you abundantly. I know you had been praying to God to bring you peace in your life. I know you asked God to forgive you daily and being a forgiving God I know he did such. Now I know you're in a better place and peaceful as can be I want you and I know you are asking God personally to help me heal and bring peace to me too. I know you're watching over me and know its hard for me with you not with me daily as I'm use to, but I'm glad you are at peace. Please give our baby a great, big hug & kiss and tell him mommy loves him and will see him soon enough too! I love you both and until I see you again, hugs & kisses!*
