“ I am sadden by the loss of Bay. Someone who I have known since middle school. I pray that God will continue to bless his family and provide comfort during the time. He will be missed, but he is in a better place and we will all see him once we get there. May God continue to bless the family.

“ I am so sorry to hear about the lost of Bay. I am praying for the family and would just like to say that he is in a better place now and we all will get to see him again. I know that it is going to be hard not having him here but I hope the promise of seeing him again will help to get his love one through this tough time.
