“ I met Kristin at food lion she was my little sunshine that I always looked for every visit to the store. I just popped in to see if she was working at her station only to find out about her passing. I called her Brooks and she was my friend. She always cut all of my fruit for every event I was sponsoring. There was never a time that she didn't have my back. We were just talking recently about our children. She loved her children Immensely as we both talked about our children to one another. May My Brooks rest in peace as she will be missed.

“ *Zach & Stephen & family, my prayers are with you all. I had the pleasure of meeting your Mom when 3-4 of us shared in the caregiving of a few elderly clients. I, as well as her clients loved her sweet smile, calm voice & beautiful personality!*

Thank you for sharing her with us! She spoke so lovingly of you two, as well as her brother & rest of the family! Zach, I also had the pleasure of meeting you & your brother when I teacher subbed at Asbury!

May your sweet memories of her carry you thru the coming days!

“ *We met Brooke through a mutual friend and she came into our lives to help care for our Mother and then our Father and became so much more than that. She became a friend and part of our family. She brought so much kindness and light and love to our daily lives and helped us all with the difficult issues that we would face near the end of our Mother's life. She was an absolute God send. It hurts all of our hearts to know that her life here has ended so soon, but know that her love will always remain in our hearts. We send all her family and friends our deepest condolences and prayers for comfort. With much love to all of you, Zachary, Stephen, and Bryan. From the Breen, Coberly, and Pagan Family* ❤️💚

“ Mom,
I love you so much it truly was too soon for you to be taken from this world, but I understand it was your time. You have taught me that life will throw you a curve ball even when you don't deserve it. You were strong, loving, & the light of my life. I will never ever let you leave my heart, when you left me it feels like you took my breath, but I promise to you I will continue to be the best of me which was the best of you. It still truly doesn't feel real that you are gone, but in my heart I will always feel you looking over me and Stephen. Please know I hope you have found peace and that you were able to reunite with Poppop and Gramma. I will miss you for eternity.
