*Sometimes I think about people from my childhood and look them up to see where they are in life, what things they've accomplished. My heart broke seeing she had passed. I went to Newsome Park Elementary and was friends with Lala in 4th and 5th grade while we were in Mrs. Perry's class. She was so funny and full of life. I just wanted to say her memory lives on even in ways you wouldn't expect. <3 Danielle Counts*

“ I would like to send my condolences to the family. When someone we love dies its very painful. But the Bible gives us comfort where it talks about the “Hearer” of prayers Psalms 65:2 and “HE” will do away with pain Rev 21:4. May the God of comfort provide solace to your family at this time.
