“ My condolences to Mr. Maldonado’s family. I was the Walmart truck driver that was first on scene and ran to his rescue. I have been trying so hard to find his family and friends to reach out to that had any questions. Please, if anyone see me my comment please reach out to me. I’m so sorry he was taken from you. I am coming to court as a witness on behalf of Mr. Maldonado to see justice served as I had witnessed the entire accident. I may not have known him, but what I do know is that he was a good man and will be missed by the community. May god show you the way and may Leonardo Rest In Peace. I have prayed everyday for him and his family. I prayed over him as I was awaiting for police and paramedics. He wasn’t alone! God Bless you!

“ Leo was a very kind, lighthearted man. I had been working with him for the past 5 months and he would always stop to chat with not only me but anyone who he encountered. We shared laughs and memories, and I remember him once showing me some beautiful pictures that he had taken of the sunrise on the ocean. It was something he loved. I am incredibly saddened by his passing and I will miss our chats and seeing his smiling face at work. My deepest condolences to his family.

*“ My deepest condolences to the family of Leo. He was a dedicated and dependable part of the Buckroe Beach team. He was a very friendly fellow and it doesn't seem real or right that he is gone too soon. We will miss him at the beach.
