Lula acquired a job with Bronx-Lebanon Hospital in the Food Service Department located in Bronx, New York. She retired as Lead Food Service Manager after 36 years. “ To the family of Lula Mae Williams, I offer my sincerest condolences and prayers. Lula was one of the best friends to me and my siblings growing up on Darren Drive. "All" of us would hang out with Lula. She was a true friend with a kind and giving heart. I have always appreciated the fact that she would stop in and visit with my parents whenever she returned to the neighborhood. They truly enjoyed spending time with her. While I did not get to spend a lot of time with her during our adult years, I will always cherish the wonderful childhood memories we shared. Rest in heavenly peace my dear friend.
