“ Just heard about Makiba's passing and am saddened to hear the news. I met Makiba when she joined vRide. Our vanpool commuted from Newport News to RICVAMC. She was a very outspoken person who loved on her family and always talked about her mother and sons. Sending my condolences to the Hall family.

“ Gone too soon, is an understatement! Makiba was such a vibrant, loving person. She was such a devoted mother, a true friend, and a fun co-worker. She worked hard to be an example of excellence for her sons to follow. Makiba carried herself in such a way to show her boys what characteristics that a good woman have. She made such a dynamic impact of people that she met along life's journey. The magnitude of this loss is felt and shared by so many friends, battle-buddies, and co-workers. We join together to uplift Makiba's entire family during this difficult time. May you continue to draw strength from God's loving arms and each other.

“ This is a very hard pill to swallow, from our conversations, dancing and laughing in the lab to me being tickled at you singing and listening to Prince. You were one of the most giving and caring people that I have ever come in contact with, you loved your boys so much and I know they loved you too, You my dear friend will be greatly missed! RIP and keep the folks in line in Heaven because I know that's where you are.
