“ Malik wasn't one of my students but I would hear other teachers talk about how brilliant and respectful he was. One day I said to him. I hear you are brilliant and well behaved. He responded, yes Ma'am I try to be. I then said, keep up the good work. I offer my condolences to the family.

“ I would like to extend my deepest condolences to the entire Peoples family. My thoughts and prayers are with you all during this difficult time. Malik was my student in the 6th grade. He was smart, funny and had a coolness about him that will never be forgotten. I will miss him.

“ *Aaliyah and I (Ms. Johnson) was deeply saddened to hear we lost someone young that we knew. Aaliyah wanted to mention that she will never forget Malik walking slowly behind her from class to class and hearing Malik say, “wha sup”. And that she will always remember her classmate, Malik Peebles the kid who rapped about life.*

I hope the family will take great comfort over the next few weeks and months in knowing that Malik is now free from any further pain and suffering.

*With our deepest sympathy and affection,
Aaliyah and Ms. Johnson (AJ)*
