“ To The Parents and family, Sometimes it's hard to understand, why things happen as they do especially when you lose a child to death. I was sorry to read Mario Jermaine James fell asleep in death. It will be particularly hard for you dear mother and difficult for the bereaved father as well. Don't be afraid to cry shedding tears of grief appears to be a necessary part of the healing process You may find that for a time your emotions will be somewhat unpredictable tears may flow without much advance warning be patient with yourself. The Bible assures us: “God is near to those that are broken at heart; and those who are crushed in spirit he saves.” (Psalm 34:18) With sincere sympathy may these understanding thoughts help somehow to convey the sympathy that hearts can feel but words can never say.

“ You were such a great person Mario. Gone but never forgotten. May your soul now be at piece from this cruel world. As an angel guide those who are lost and be a light to those in the dark. Until we meet again my brother. I love you man. Thank you for putting a smile on my face and being such a good person. Gods will will be done and vengeance is the Lords. He will find who did this and they will receive their rightful punishment. R.I.P. Rio

“ Mario you will truly be missed, you were like the baby brother I never had. Your smile made me always smile no matter how upset I was. I will always remember what you use to tell us at work " don't worry about it just smile, it will be ok." My prayers goes to your family and even though you here a short while you impacted a lot of people in the time you were here. Your now our guardian angel!

“ Mario was my friend but also my brother. He always put a smile on my face no matter how mad or sad I was. We had planned to go to Hooters for wing night and catch up on things but sadly that never happened. I only can wish now that we got to spend those last moments together. Mario I love u always. I guess God doesn't have enough comedians in heaven so he called u home. You'll be greatly missed by me and Jaysun.
