“ I will truly miss Mrs. Terven! Over the last 9 or so years we talked on Thursday evenings and we developed a great friendship. We both shared a love for food and would have long conversations about our favorite meals, recipes, and discussed what we were having for dinner.

*I will miss our conversations, her positive outlook on life, and peaceful spirit!*

“ I spoke with Marti on most Wednesday afternoons, to see how she was doing. She always sounded positive about her situation, and we ended our weekly chat with her saying "Gd Bless you."
