“ *I lost contact with Ms. Mary for a few years and thanks to Facebook we were able to reunite which has made everything right. We didn't speak everyday, but when we did it was always full of laughter. She had a heart of gold and was always fun to be around. I can still hear her voice. Her job was done and the Lord said come home. I'm sorry I live out of the US, but was blessed thru her daughter; Wanda in allowing me to speak with her a few times and be able to let her know I love her and she will be missed! Prayers for understanding and strength.*
