“Gma words can't express how much that I miss you. I am going to miss everything about you, your smile our conversation and advice on cooking certain things, even down to the of just sitting with you at the house. All I can do is cherish all the memories we had together. You were my ROCK....! I still love when you were on this earth and I love you even more when you are gone. You will always have a place in my heart. Rest In Paradise. 🕊️💔🕊️💔🕊️
