“ *I was just discussing with my boss about my upcoming family vacation. We are letting our kids bring friends along. I said, "I'm excited for them because I know the memories they will keep for a lifetime from this." And then it hit me. One summer I spent i week in Nags Head with Melissa's family. Melissa is that memory for me. Thank you, Melissa for making lifetime memories with me!*

“ Words cannot begin to express how much your loss saddens me. Melissa and I have been friends since we were in Girl Scouts. We could go months, years, without talking and always pick up where we left off. I just spoke with her a few weeks ago, and she was telling me she was sick, but that she would get better so we could hang out and she could visit my little girl, she loved kids. She loved everyone. I pray for peace for her loved ones during this time and comfort knowing she will be watching over us all. I love you Melissa.

“ We could go months without talking! However, when we got on the phone it seemed like we were together the day before! Life's ups and downs, kids, work and laughter because we laughed a lot! I will forever cherish our time together and you will always have a special place in my heart! Rest In Peace my friend until we meet again!

“ *Melissa was a childhood friend of mine. I met her through Kasi. We enjoyed many sleepovers together. When I moved to Pennsylvania, Melissa and I kept in touch through letters for many years. We were both surprised to see each other when I later moved back to Virginia. Melissa came into the store I worked at and we both recognized each other immediately and were able to get together to catch up. We lost contact again due to both of us moving. I'll always remember the beautiful person she was. As kids, I loved her long, curly hair:) I'm so sorry for your family's loss. May turning to Jesus provide you with the comfort you seek at this time.*
