“ Rest in peace Unc!
You tried to get us all together last month and now I know why! I wish I had been there more, especially during your time of need. It was very thoughtful what you did to show your appreciation for me and I will do my best to see that your last wish is fulfilled.
JEHOVAH bless and I love you!

“ Mike, I thank God that you were a part of our lives. You was with my mom Dot for a few years and you took good care of her. You was more than just my mom's "boyfriend". You became part of our family. Thank you for everything and we will truly miss you. You were a good person and we lost a family member!! May your soul rest in peace with our Lord and Saviour. tammy
