“ Mike I can't believe its true. As my tears flow words are lost and my heart is heavy. I keep reading your letters wishing that you were just locked up again at least I knew their you were safe. Can't pull myself to attend your funeral I want to remember you as you were full of life. I know you hate when I cry but I can't stop 8 1/2yrs will never just fade away. May the Lord walk with you, and help you watch over and guide your twins and family as they carry on your name. Lovelace family I love each one of you and will keep you in my prayers.
