Shirley, Ray and all the family, I am saddened to hear of Mildred's passing. I loved Mildred and thought of her often. She gave me one of her paintings and I still have it in my home. What a talented woman. She was also such a big part of our Palestine Church of the Nazarene. I hated to see her have to give up her home and move so far away. However, I'm glad that she was able to spend her last few years with Shirley and be able to live with family. I know she is finally "Home" with our Lord and Savior and we will see her again one day. Keeping you all in our thoughts and prayers.
