“ I was devastated when I received the call about my niece. Monique was just like my daughter. I use to take her with me in her younger years. She was a very special young lady that I cared about so much. I am so glad to know that she knew God for herself. I will always love and cherish the warm memories that she left behind. Sleep on Monique and take your rest I love you but God knew what was best. Auntie will always love you.

“ Mrs. Tasha:

*Your daughter is dancing before the Lord in Heaven. Yes it was hard to take and im here with you through it all if you need me. But just know that Monique is in Heaven with her father where you an I will be some day. It is great to know that she is in Heaven looking down and smiling at us right now, but its hard to know that she in no longer in our presence. But yet she still is,even though she is gone she is really right here with us like she has always been though we cant see her. Be happy that you know that God sent her here for something and she has fulfilled her purpose on Earth and God has called her home. I nice agin am here for you at all times and if you need me call me. I loved Monique like a godsister to me, because she was always there for me at my young age(just like you are like a godmother to me because i look up to you alot.!) And if you ever need a babysitter for Lil Miss sanniyah just a call me anytime(7578330738). I love you so much and am keeping you and your family in my prayers.*

*Love you so much, justina=]*
