“ *I loved to hear your voice when Toi made vlog videos with you. I could discern the Holy goodness of your soul just by the pitch & tone of your sweet voice. I loved to see the dynamic amount of love between you & Toi. Mama Day 🌺 you are with the Angels. An Angel yourself now, over the lives of your children. There is great comfort for you Toi, in the precious memories, made by you and your Mother. Those Happy times will carry you through. It may not seem so at first, surely it wouldn't. But, "Good Lord" ~ after a while, those same great memories will be your source of comfort, along with our Heavenly Father's Grace. This I know for fact. Toi, you are the greatest soul. A person of universal love & compassion. Your kind heart & virtuous wisdom already has & will continue to carry you further in life. God will Bless you for that & for all of the goodness that you showed your dear Mother.*

“ Peaceful transition, It feels good to know you are no longer in pain. I just know you are in great comforts with God, the spirit who you consoled in all the time. The spirit who never left you and you never lost faith in him even when things got hard. While the internet, thanks to your beautiful daughter Toi only know you as "Mama Toi". Spiritually the "luv luv" family all felt your heart and loving spirit and we all wished that you could have been here physically but we understand God had a better plan for you . Your loving memories you provided your children with will forever keep them with a smile on their faces when they get tired by the struggles of living. Only in the living we experience pain and in our transition to the angelic realm granted by God. Where you are at now protecting your children and all the ones you love who are living. There is no pain and that brings happiness to my heart like no other. None of your children and the ones who knew you should live with any fear or troubles because of the miracles you created where so magnificent in the living, I can only imagine your power and strength in spirit.
Mama toi, blessings 🧡💙🌻
