“ *Novelle -*

When we first met, I wasn't sure what to expect. But, lady, you became a pleasant surprise and I thank God for you!! In the short two years God blessed me with your presence, you taught me so many things. Most important was your faith and ability to make a friend with anyone. I will always remember your positive spirit and unique personality! I hate that you had to leave but I'm comforted in knowing that you're now in your heavenly home. Rest easy until we meet again.
