

Mr. Oleska Krupnicka

June 29, 2022

Oleska Krupnicka, Father of 3 and 1 of 5 siblings, was born in the Ukraine and sent over as a child by his Мати, along with his brothers & sisters, to avoid the War and have a chance at life. Ellis Island was popular back then for immigrants and that is where you will find his name inscribed on the "American Immigrant Wall of Honor". Because his Mother spoke only the Ukrainian language, Oleska spoke fluent Ukrainian and English.

Oleska became a talented builder and expert in blueprints. He laughed at the 3 Stooges comedy skits, enjoyed lake fishing and carried a quirky sense of humor. He had a sidekick by the name of Charlie; he had this doggie for about 20 years and they were inseparable. The 2 shared many joyous adventures together.

Life for Oleska had many struggles although in the end, he made amends as best he could. Exodus 20:12 - "Honour thy father and thy mother: that thy days may be long upon the land which the Lord thy God giveth thee". Eph 6:2 "Honour thy father and mother; which is the first commandment with promise".

To my Father Oleska Krupnicka, we hope you will be seen again in Heaven as you were discovering scripture.

Malachi 4:6 "And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers"

“ *I never did know this man , but Annette, his daughter is my good friend. I was so happy for her when she told me she and her father had made amends in their relationship. May the grace of Hod be with you Annette in your time of loss and grief. Know there are people in your life who care and are praying for you.*
