“ *My hearts is deeply saddened. To Bird and the entire Patterson family stay strong. I will always remember Ms TrishAnn.*

Her Journey's Just Begun

*Don't think of her as gone away, her journey's just begun
Life holds so many facets, this earth is only one.*

*Just think of her as resting from the sorrows and the tears
In a place of warmth and comfort where there are no days or years.
Think how she must be wishing that we could know today
How nothing but our sadness, can really pass away.
And think of her as living in the hearts of those she touched
For nothing loved is ever lost and she was loved so much.*

“ Patricia Ann, you have been in my life for 40 years. You were definitely a strong woman and I appreciated everything that you did for Shakita and I. It was definitely a blessing how GOD worked things out the way that he did. You will truly be missed. Gone from our sight but never from our hearts.

“ Sis, you had your own unique way of doing things. You didn't sugar coat anything, you said what you said either they/we liked it or not. I know you're resting in the arms of Jesus! Sis you were Liked & Loved by many who knew you. You left us with so many memories to talk about. For years people thought you were my Mother, because our Mother made you take me with you, and you sure didn't like that (LOL). I LOVE YOU SO MUCH!!! I know you're smiling right now, because you're with Mom (Elsie) and our Brother (Charles)! Tony, Roy, Kevin, and most of all your grandchildren are going to miss you terribly!! I can't replace you, but if they need me, I'll be here for them. R.I.P my LOVE until we see each other again... Weeping may endure for a night, but joy comes in the morning!!! Love Your one and only sister!!! Sheila E. Mays
