

Mr. Payton Greene, Jr.

March 7, 1960 - September 22, 2022

Payton Greene 1960 - 2022. Payton Greene, age 62, passed away peacefully on September 22, 2022. He was born on March 7, 1960, in Smithfield Virginia to his loving mother Mary Greene, and father Payton Delk.

He also leaves behind his one and only daughter Tamika Gresham (Recus Gresham). Two granddaughters Quaneisha Tatum, Ah'jah Gresham. Two grandson's Charlie Tatum IV, Recus Gresham Jr, and two great-grandkids.

As well as his sisters. Linda Greene, Shiela Bryant, Rita Greene, Selma Westbrook, and Retta Banks(Darrell Banks).

Brothers Curtis Greene (preceded in death), Michael Greene (Keiva Greene), Carlton Wesley, Cory Delk, and Patrick Delk.

And a host of aunts, uncles, nieces, and nephews.

Payton had a passion for fishing, landscaping, and automobile repairs, as well as helping others in their time of need. He loved his football; The Steelers were his favorite team (Yes yellow and gold were his thing).

For my dad. Letter from his daughter.

What I learned from my dad was that life is short and often brutal and the best

way to combat all that is with a good laugh and the ability to appreciate the small moments of joy, despite any circumstances.

We appreciate you all coming out to remember Payton Greene, and giving us an opportunity to tell you a little more about him. I know he would have been honored to know how many people cared enough to attend. He will truly be missed! We will love you forever!

****Please Don't Forget to Wear Your FACE MASK** Thank You**

“Peyton was one in a million, he was on my mind quite a bit and I always wondered how he was doing since he and Robin separated. Peyton was always so much fun to be around and was my spades partner, who talked a ton of smack with the best of them when we used to do "couples night" and he was a beast on the grill. Like a lot of us , he had his struggles but deep down he was a great guy and will definitely be missed by my husband and myself. rest peacefully my friend.
