

Mr. Recardo Liddell

October 6, 1972 - August 21, 2023

It is with great sadness that the family of Recardo "Reco" Liddell, age 50, announce his unexpected passing on Monday, August 21, 2023, in Newport News, Virginia. Recardo was born October 6, 1972, in Centreville, Illinois, the son of Curtis and Patricia (Pullum) Liddell.

Reco graduated from Cahokia High School in 1990. Upon graduation, he enlisted in the Army but was later discharged due to injury. He attended McKendree University to further his education and focus on his favorite thing...basketball. In 2001, he relocated to Hampton, Virginia. During this time, he had various employment but was enthusiastic about construction. He also built a community of friends who will forever remember him.

Reco was beloved by many in Virginia but frequently returned to Illinois to visit loved ones. He had an infectious personality, a sincere spirit, and a heart for those whom he held close. He was a fierce competitor and especially boastful when he was winning. He often attended church and believed in the power of prayer. Those traits and many more made him the charismatic man that he was. He will be cherished for the special moments he spent with his family and friends. Reco truly loved each of them- and if you knew him, you knew it.

He was preceded in death by his mother, Patricia (Pullum) Liddell; son, Christopher Lamar Liddell; grandparents, Herman and Cassie (Petty) Pullum,

Booker T. Sr. and Ethel Mae (Harris) Liddell.

Recardo is survived by: his father, Curtis Liddell; sister, Ormesha Bell; brother-in-law, Ralph Bell; niece, Cassie Bell; and numerous loving relatives, godchildren, and friends.

Thank you for keeping the Liddell family lifted in prayer.
