“ You used to drive that Red Isuzu Rodeo back in the day. It was a stick shift. I secretly loved that truck lol. You tried to show me how to shift the gears one time. That didn't go so well lol. Til' this day I only drive stick shifts. I'll never forget you Coach. You always went out of your way and sometimes out of your pocket for the team and I'm sure for the people who were fortunate enough to know you as well. I know that you're in a better place and no longer in any pain. God Bless the family of Robert Boothe Sr. Gone but not forgotten and most certainly Loved... ~ lil Lewis
