“ *Robert Brown aka pity pat was known by many and loved by many. We spent 7 years together before having our daughter tykera Brown, we parted ways when she was 17 months old and is now 30 yrs old but over the years we were able to become great friends he just visited in April I'll miss that friendship. One of my fondest memories of him was no matter what he was doing or where he was going he always wore that big big smile with them pearly white teeth lol And it was always cracking a joke too funny. His duty on earth is now done You will be missed, but never forgotten you surely left your mark here Fly high ❤️*
