

## Mr. Robert Wayne Cox

February 8, 1991 - March 2, 2022

Robert Cox, age 31 passed away unexpectedly in his home on March 2, 2022. He left us way too soon. He is survived by his mother Mrs. Debbie Cox (who loved him dearly) his sisters Mrs. Becky Short (Steve) and Audra Cox, his two nephews Michael and Kaleb Todd, two nieces Kaylee and Serenity Short, and his grandmother Virginia Hall. Robert had a special bond with his uncle Ricky, they loved racing and working on cars together. Robert had many uncles, aunts, and cousins but is preceded in death by his father Thomas Cox.

Rob had a huge passion for cars. He used to love Wednesday nights at Langley Speedway for Wacky Wednesday where he won many races. His other love was for animals, especially cats. Anywhere he was and saw an animal he didn't care about anything else. He loved his two cats, Callie and Kira. Rob also had a special person in his life who will always be the love of his life and she also impacted his heart; Kendra Lohenitz.

Rob's heart was huge and his smile was even brighter. He loved to joke and boy would he keep going with it. Rob had a different but special kind of bond with his friends and was loved by so many. One of his favorite places to hang out was Hoss's Deli. His nickname to most was "Robjob". In his younger days, he was into BMX and Xbox with his screen name being KARisma. His smile and laughter will be missed and never forgotten.

His memorial service will be held at Langley Speedway on Friday, March 18th at 4:30 PM. In lieu please donate to any animal shelter of charity in Robert's name.

“ I still can't believe I have to do this. You were my little brother who I loved more than you will ever know. I remember when you were little we had a 9 year age gap so of course you annoyed the hell out of me. You were a hellion chased around with knives one time, lol, almost set whole yard on fire, and I busted your eyebrow one time because you were going to tattletale. I remembered when you use to drag your tv around to play halo and you loved bmx. I took you in at 16 to live with me and I know I drove you crazy because all I wanted to do is protect you from everything. Of course I would bail you out when would get pulled for all sorts of things. I use to love watching you rave at Wacky which you loved. Then you moved out and you doing so good even purchased your own house and you were so excited. Of course the last couple years have been rough and I constantly worried about you. The last few months have been hell but o wish you were here to worry the hell out of me. You were so close to getting away from Virginia, selling your house and going to Florida which you were so excited. You had so much life ahead of you. I just hope you know how much you meant to me and how much I loved you my brother. I Am glad I got to spend the last few months with you cleaning your house to sell or even when you crashed at my house because you didn't want to be home. I just wish you would have took my advice once and Would have stopped being so hard headed, I was so afraid to get the call I got on March 2nd. But your were battling so many demons. I will never forget you and we will take care of your cats. Until we meet again I love you and I will never forget your smile!!
