“ Please share the following condolences with the family of Ruth Tucker Bland:
Aunt ruth i don't know where to start but here it goes. I apologize for been selfish in my ways. Do to that my time with u was short. I.had a lot to tell u Igot my life together finally. And u was the biggest part of it. U never gave up on me or judged me. My mistakes was mine to learn from and nothing for u to hold over me. U taught me so much and as my mothers death Iwas selfish to come and tell her Iwas sorry for putting her through everything. Before Icould she was gone and same with u. I thought of the day that u was laid to rest and what u looked like in peace. Cause all Iremember is grief and strife. Both of those moments was taken from me by my so called family who disowned me. So I didn't find out until furneral was over. I now realize how precious family is threw my everyday living with them not around. I just want to say kiss mom for me. And Imiss and love u very much. I'm going to be bbetter raising the girls with u and mom in mind. Love u always. Lisa
Thank you,

“ We are sad to hear that your sister Ruth has passed away. We have fond memories of Ruth for over 38 years and she was truly a wonderful person and friend. We shared many family get-together, cook-outs, graduations, and weddings together. She was funny and a cheerful person but I remember most that she cared for her friends and family and did her best to help celebrate all those special occasions.

“ My Bidy, I am going to miss you tremendously, and our talk from time to time. You had a way of making me laugh and I know that there will be, from time to time one thing, something heard or something seen, that will remind me of you, and I will laugh again.
Love, Glenn
