“ What moves through me is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, I may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, I begin to remember not just that you died, but that you lived. And that your life gave me memories too beautiful to forget.

“ Savannah, my baby cousin I have decided that I would not accept your passing as forever. I have accepted it as you just waiting for me on the other side of that pearly white gate. God said "If we live right and in his righteousness, we would have life everlasting". So when its my turn to be called and if I have done what God commanded of me. I pray he will say "Well done"... See u soon Savannah!

You were my Baby Cuz but in ur eyes I was ur Sissy! U had a smile that would warm hearts and a heart of gold...always sharing concern for others...I want to extend my very own sympathy to the Joyner/Scott family and say that I am here for you...but let ur spirit be guided by the Creator...look to him when u have those moments of despair...only He can heal ur mind and spirit!!!
