“ *I just want to express my deepest sympathy to the family. To the children I say to you allow god to lead you, he will give you comfort Trust in the lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths.*

“ We were sadden to here about the lost of your mother. We pray that God will give you all strength and courage to allow you all to accept His will. We don't always understand why things happen the way that it does but we have to give God the thanks and praises just because He is who He is and He never makes any mistakes. We are just a phone call away. If you need us just call.
