“ *I would like to send my condolences to Ms. Gregory's family and friends. Shirley was family and always will be. It upsets me that I did not get to see her before I got back in July. Her sparky additude and mothers words will never leave me. With anything I ask, she always gave me an answer. I hope in someway I will be able to see her family and share precious memories with them. Love, Always, Rick, Gina, jasmine, Erica and Gonzalo (the Howell's)*
