“ Baby you we're an amazingly, unselfish woman, always dedicated to help in anyway that you could. Your heart was loving and gentle. My sister Janice and our family loved and appreciated you for being the person you were. My regret is, that I didn't take the time to tell you this when you were able to hear it, but I pray that you were aware of how much you meant to us. Jesus gave you that precious heart and now He will reward you for using it in love. I pray for your children. Now rest and be at peace sweetie, your work is done.
