“ Sending love and the deepest, most sincere condolences in honor of my good friend Stephen Hicks and the love of his life Latesha Cooper.

*I've had the pleasure of being in good company and sharing many memories with the couple throughout their 8 year love yet we all have been friends for almost 20 years. Stephen and Latesha are two of the most genuine friends that a person could be blessed with.*

*Stephen fought the good fight and will be deeply missed. I will cherish our friendship forever.*

*Rest Peacefully friend,  
Mikala*

“ I love you dad. I'm always thinking of you Morning, noon, and night. I love you so much . You were such a beautiful person and I know your with me every step of the way ! I always find myself thinking “I wish I call my dad.” So I stare at your pictures and tell you how crazy these people you know are crazy lol ! I be wanting to snap but I then I hear you say “BIG DEAL TYNEKA!” Lol so I'm trying to do better . I got a build a bear with your favorite team jersey on it , and I put your voice in it from a voicemail you left saying “CALL YO DADDY BACK!” It really helps Q he keeps pressing it to hear you talk and goes to it and “tells” on me lol! But we're doing okay so far dad. I told you I got this but it's hard. I think kiya has cried more than me . She misses you so much! We love you dad and I'm doing my best to do what you've what have wanted me too . I get Q every weekend and he loves it ! He says “daddy went to meet Jesus but he'll be back.” And it just makes me smile . He's always talking about you and when we're out he points out cars like yours and says “look daddy car.” We miss and love you dad! Rest easy king.
