“ Although it has been less than six months since you were called home, I still miss you and think of you always. You were a special niece to me and always will be special in my heart. Cassandra was a great mom and may she continue to raise your younger sister and brother to be all they can be. She misses you something awful, God knew what was best for you, he only takes the BEST! Your uncle and your cousins will always remember you and your infectious smile and laugh.
Love you always, your Aunt Patt
