“ I am so sorry for your loss. Since Dusty moved to Petersburg, I have missed her sweet spirit. I was able to visit her on several occasions while in the area. She always had a smile to share with everyone in spite of her difficult life. She left a big hole in the fabric of 5B when she left SEVTC. As her primary nurse, I only knew and worked with her for about 15 years. She will always be in my heart. I pray God will comfort you in your loss. Dusty is truly one of God's angels and I thank you for sharing her with me.
