“ *Since we were the age of 13 you have been my friend. We had our ups and downs, but I never stopped loving you Nay. I'm going to miss all the good times we had. We grew up together. We did everything together. I can look up to the sky to talk to you now. I know you will hear me. I'm going to miss you Nay. Something has been missing since you left. I don't feel complete with you gone. Even when we were mad with each other, we always found a way to work it out. I love you Nay. Please watch over me.*
