My Deepest Condolences for Terry Aunty

Dear Family Member's

My name is Karan Rathore and I had the great honor of meeting Terry aunty several years ago when she was traveling through India. I was her tour guide, but very quickly she became so much more than that — she became a true friend. After she returned home, we kept in touch often, sharing stories about our lives and the places we loved.

Terry Aunty was one of the kindest, most genuine people I have ever known. She had such a beautiful spirit — patient, curious, and full of warmth. She helped me so much with my English and encouraged me in ways I'll never forget. Over time, I came to think of her as family — like an aunt to me.

I was heartbroken to learn of her passing. I can only imagine how great a loss this must be for you and everyone who loved her. Please accept my deepest condolences and know that Terry's kindness touched lives far beyond her home.

If you feel comfortable sharing, I would be grateful to know a little more about what happened. And if you are open to staying in touch, I would be honored. You can reach me at [email address- karanrathore26@gmail.com] or [WhatsApp number- 919950670997].

“ To Terri's Mother (Sis Ann Clark) and family. Terri her sweet personality, kind and down to earth spirit, brought joy to me in our childhood days. Her smile would light up a room. I had not seen her in years but, I will miss her in spirit. We are all here for a purpose and I believe she was here to cheer us up. She had a good heart, so let us keep her in our hearts "The Lord is coming back for the pure in heart" so family be at peace. Blessings until you meet again!! I love you all!
