

Ms. Terry Ann Langhorne

February 21, 1971 - September 30, 2024

Terry Ann Langhorne passed away on Monday, September 30, 2024, at Riverside Regional Medical Center. Terry was born on February 21, 1971, in East Orange, New Jersey and is the daughter of the late Tilton and Ida Langhorne. Terry leaves to cherish her daughter, Martina S. Langhorne-Johnson, her sisters Sherry (Lamont), Stacy (Brandon, Dion, Breion, Noey, and Noelyn), and April (Camerin), and her special friends Ashley Copeland and Yolanda Hardy.

Terry graduated from Warwick High School in 1989. She also graduated from Thomas Nelson Community College and received her degree in Business Administration. She worked as a Nuclear Contractor for 20 years and as a Laborer with Dominion Energy in Surry, VA for 5 years. Terry accepted Christ at an early age and had a close relationship with God. After learning about her breast cancer diagnosis, she endured until the end because God was with her.

Terry's most pride and joy was having Martina for a daughter. She would say that God allowed me to spend another day with her. A private service will be held with the immediate family. In lieu of flowers, the family will be accepting monetary gifts for the continuation of Martina's college education.

*Of all the many blessings,
However great or small
To have had Terry for a niece
Was one of the greatest ones of all.
The family chain is broken now
And nothing will seem the same
But as God takes us one by one
The chain will link again.*

*Much Love to you all.
