“ *My husband said it best, Timmy knew how to bring people together. He never met a stranger. Would make you smile whether you wanted to or not. I have countless memories of playing pool; going to Vegas; Memorial Day cookouts (both at our house and yours); Halloween parties; night fishing. ...the list goes on and on. Glen and I are absolutely devastated that you are not with us here on Earth anymore, but we know you are in a better place. We are continuing to pray for Kim, the kids and grandkids. God bless you all, we love you!*

“ My condolences to the family I will be sending continued prayers out for you all. Timmy really knew how to make anyone smile. I remember every Wednesday night we had a game to see who could get to the holiday bowl first to get table 1. And as any pool player that has played at holiday knows it's the best spot in the house. We would sit around and talk about guns, pool and just about anything. If ever I had a bad day he would show me some off the wall pictures in his phone to help be laugh. Lord I wish I could have more of those bad days with Timmy around. He cared about everyone in the pool room. I'm so glad I had the opportunity to meet such a great guy and play doubles with him in a couple APA events. Keep the shine cold for me bro God has great plans for you and him. Always missed but never forgotten. Love you big guy.
