Unique, I understand. Your Mom and I met while I was secretary at our church. I think of you and your siblings, wondering how you are doing. I would love to hear from you. Your Mom was always striving to provide the best for you kids. You were on my mind the other day. If you are on FB, I will message you my phone number. Prayerfully we can connect. Stay strong, for your Mom was one strong lady in so many ways!

“ Toyona was the most beautiful person ever. She had the heart of gold and the voice of an angel. She could sing to the heavens and God would be pleased I'm sure. I have known "yona" forever, and she will be truly missed so as I write this, I light my candle, with tears in my eyes, and love in my heart for knowing her was the blessing in itself. To the family, know that she is not suffering and she is resting in the arms of the Lord. She is in peace, I pray that God gives you the strength to move forward, and smile for her presence is always with you.

“ I was saddened to hear of the passing of Toyona. I pray the comfort and peace of God for the family, especially the children. May it comfort you to know that others care and are praying for you. Rev. Vearnetta White
