“ It is with much sadness that I have to say goodbye to a friend. As Vivian said, Verna lived in the 500 block of 29th Street, I lived in the 600 block of 29th Street and that is where our friendship grew. Verna always had such a beautiful spirit and the sweetest smile. Even tho I left home after high school graduation and didn't get to stay in touch as often as I would have liked, there was never a time that I was in her presence, she wasn't smiling. I know it was a long and hard journey my friend but you fought a good fight. It was an honor to have known you. GOD has called home an Angel. May You Rest In Heaven. 🙏

“ I'm the mail lady in Ma Verna area. Even though I haven't known her for a long time, I do know how caring and loving of a person she was. Ms Verna spoke to me the first day she met me. It was hot outside, she was sitting on her front porch in the shade. She asked me if I'd like a bottle of water and from that day on we've had a since of closeness. I called her "Ma". Even though I will not see her on the porch this summer, I know she'll be there. She'll truly be missed

“ It is with a heavy heart that I say so long my friend. I will always remember the friendship we developed both as neighbors and in school. You were always a kind and gentle spirit and it was my honor to have known you. There was never a time that I was in your presence that you were not smiling. I know you are in the presence of the Lord now and I know you are still smiling. GOD has given another Angel her wings. May You Rest In Heaven.

“ I've known Verna since we were children and the Speight family lived in the 500 block of 29th street and the Sullivan family lived in the 600 block of 28th street. We attended John Marshall Elementary School and Huntington High School together. Although we didn't see each other often after graduating high school, we remained friends. Verna was family and was always a part of our family celebrations.

We had a lovely phone conversation exactly two weeks ago today. I had hoped to make more frequent calls. My heart is very heavy with the passing of this dear, sweet, gentle lady. Maurice my prayers are with you and your family.

“ Not only were we classmates (1970) at Huntington High School, we also served on our classes reunion committee together. Verna fondly referred to my then husband as her “love muffin”... they got along well at first meeting. Prayers and comfort to the family and Verna you rest now and I hope to see you on the other side. 🙏🙏🙏
